Subject: Application for Global Event Manager (CDD 12 mois)

Dear Hiring Team at TechGlobal Remote,

I am writing to express my strong interest in the Global Event Manager position (12-month contract) at TechGlobal Remote. With a versatile background in communication and event management, combined with international experience in the USA, I am excited about the opportunity to contribute to your team by planning and executing impactful virtual and physical events worldwide.

During my tenure as Communication and Marketing Coordinator at Thales in Orlando, I led communication strategies for a global avionics service unit with over 2,000 employees. I successfully managed multichannel campaigns, created diverse content formats, and coordinated complex events including webinars, workshops, and large-scale seminars such as the MRO conference in Chicago. This role required close collaboration with multiple departments and external vendors, ensuring seamless event execution and alignment with strategic goals. My fluency in English and familiarity with French further equip me to navigate your global and multicultural environment effectively.

Prior to this, I developed and implemented internal communication strategies for a 10,000-employee avionics division in Bordeaux. I coordinated large internal conferences with VIP speakers and roadshows hosting over 500 participants, handling logistics, content creation, and team coordination. These experiences have sharpened my project management skills, attention to detail, and ability to thrive in fast-paced, results-driven settings. I am confident these skills will translate well to managing TechGlobal's diverse global events.

I am particularly motivated by TechGlobal Remote's innovative approach to hybrid event delivery and its commitment to global collaboration. I am eager to bring my creativity, organizational strength, and proven track record in corporate event management to your team. I would welcome the opportunity to discuss how my background aligns with your needs and how I can help drive the success of your event initiatives.

Thank you for considering my application. I look forward to the possibility of contributing to TechGlobal Remote and am available at your convenience for an interview.

Sincerely, [Your Name]
