**Subject: Application for Global Event Manager (CDD 12 mois)**

Dear Hiring Team at TechGlobal Remote,

I am excited to submit my application for the Global Event Manager position (12-month contract) at TechGlobal Remote. With a strong background in communication, event coordination, and project management—bolstered by international experience in the United States—I am confident in my ability to successfully plan and execute both virtual and physical events on a global scale. Your innovative approach to worldwide events perfectly aligns with my passion for delivering seamless, impactful experiences.

In my recent role as Communication & Marketing Coordinator at Thales in Orlando, I led the communication strategy for Avionics Global Services, a team of over 2,000 employees, while managing complex event logistics including workshops, webinars, and large-scale industry conferences like MRO in Chicago. This hands-on experience sharpened my skills in coordinating multidisciplinary teams and external vendors, ensuring every event ran smoothly and met strategic objectives. Additionally, my role involved creating multiformat content and running targeted LinkedIn campaigns, which enhanced engagement and visibility—crucial in today's hybrid event landscape.

Previously, as Internal Communication Officer for Thales in Bordeaux, I orchestrated internal communications and organized major events such as VIP conferences and roadshows with over 500 participants. Managing these large-scale projects strengthened my ability to work across departments and manage detailed timelines, budgets, and stakeholder relationships—qualities essential for a global event manager. Fluent in English and familiar with French business environments, I bring not only strong language skills but also cultural adaptability, which I understand are vital for your international operations.

I am enthusiastic about the opportunity to contribute to TechGlobal Remote's dynamic team, applying my creativity, organizational prowess, and results-oriented mindset to elevate your global events. I would welcome the chance to discuss how my experience and skills align with your needs and am available at your convenience for an interview.

Thank you for considering my application. I look forward to the possibility of working together.

Kind regards, [Your Name]
